

**By the 27<sup>th</sup> of June 2017 at 12:00** (Italian time) selected candidates must confirm to **accept** the scholarship by email to: [foreignstudents@unime.it](mailto:foreignstudents@unime.it). Please write in the obj. "CONFIRMATION SCHOLARSHIP".

After the Confirmation, selected candidates will receive a Letter awarding the scholarship to be handed in (if required) at the Italian Diplomatic/Consular Authority in the country where the degree has been awarded for the visa procedure.

In case of renouncement or impossibility to enroll, selected candidate will be replaced by the first available candidate in the selection list until all scholarships will be assigned (40 scholarships).

Candidates that are **shortlisted** have been positively evaluated for the award of the scholarship but they are not awarded the scholarship. Shortlisted candidates **might** be awarded the scholarship only in case of renouncement or impossibility to enroll of other selected candidates.

\* = Shortlisted candidate needs to take the language knowledge evaluation test (*Italian* if the selected Master degree programme is taught in Italian or English if the selected Master degree programme is taught in English: Engineering and Computer Science and International Management ). Nevertheless, shortlisted candidate will take the language test only in case of renouncement or impossibility to enroll of other selected candidates and he/she is awarded the scholarship.

Candidates must deal with pre-enrollment and visa issue procedures at the Italian Diplomatic/Consular Authority in the country where the degree has been awarded .  
The scholarship will be assigned upon arrival and enrolment at the University of Messina. In case a selected candidate does not enroll to the chosen Master degree programme (*Laurea Magistrale*), the scholarship will be considered void and cancelled.
