Meeting of the TNE UNITAFRICA Project

**Empowering Academic Cooperation between Italy and Africa to Foster the Quality
and Effectiveness of Higher Education Systems in a Mutual Learning Environment**

15-16th May 2025, Addis Ababa, Ethiopia

Venue: Italian Cultural Institute, Addis Ababa

Participation mode: in-person and virtual

Date: May 15-16th, 2025

Expected participants: 60 persons, Representatives of the African and Italian partner Universities

Language: English (talks and presentations in French will be identified in the programme)

OBJECTIVES OF THE MEETING

In line with the overall scope of the TNE UNITAFRICA project to foster cooperation between Italian and African Universities through innovative teaching methods and training opportunities, the Addis Ababa first physical consortium-wide meeting represents a milestone to strengthen the interaction between the Italian and African Partners in the perspective of ensuring a solid project implementation according to its aims and structure.

The meeting intends to present current project implementation; clarify project structure; plan short term and medium-term activities; analyze project risks and contingencies and relative mitigation measures; -evaluate impacts and foresee future sustainability.

CONTENTS

The meeting will firstly focus on the overall structure, activities, major deliverables, timing and components of the 5 project work packages (WPs):

- WP 2, UNITAFRICA network and digital platform,
- WP 3, Innovative Education for Master & PhD Studies
- WP 4, Skills development
- WP 5, Impact evaluation
- WP 6 Communication and outreach

Specific sessions will focus on innovative teaching methods and training opportunities, mobilities with open interactive analysis of project strengths and weaknesses and consequent discussions among participants to define challenges and possible strategies to face them.

Past and current experiences between Italian and African partners will be presented in the field of Education, Research/PhD Programs and Public Engagement in order to contribute to strengthening collaboration in a perspective of project sustainability.
