Interpersonal skills

- Collaborated with other scientists in research groups both in Italy and Morocco, outlining objectives, methodology, and conclusions, actively listening to people and stimulating interest and discussion.
- Collaborated and communicated at all professional levels, and with people from diverse origins and cultures.
- Can work both independently and in team settings.
- Experience in organizing big events (conferences, symposiums).
- Participated in several projects in parallel, planned work to achieve goals and targets on time.
- Attended introductory courses of management.

Languages skills

Arabic: Mother Tongue

English : Advanced

French : Advanced

Italian: Advanced

Spanish : Conversational

Academic Education:

- 2023: **PhD in Electronics and Telecommunications**, Center for Doctoral Studies in Sciences and Technologies, Faculty of Sciences, University of Abdelmalek Essaâdi, Tétouan.
Thesis Topic: Optimization of Mobile Radio Resources for Next-Generation Networks.
(Thesis defended on March 6, 2023, with high distinction)
- 2013: **Master's Degree in Telecommunication Systems Engineering**, Faculty of Sciences, University of Abdelmalek Essaâdi, Tétouan.
- 2011: **Bachelor's Degree in Science and Technology**, specializing in Electronics, Electrical Engineering, and Automation, Faculty of Sciences and Technology (FST), Tangier.
- 2010: **University Diploma in Scientific and Technical Studies (D.E.U.S.T)**, Faculty of Sciences and Technology (FST), Tangier.
Specialization: Electrical Engineering / Mechanical Engineering.
- 2006: **High School Diploma**, specializing in Mathematical Sciences.

Adjunct courses and trainings

- 2023: **Pedagogical Supervisor for the Final Project** (Master's Degree in Telecommunications) at the Faculty of Sciences, Tétouan. Topic: 'Optimization of an Analytical Lifetime Model for Thread Wireless Sensor Networks' (6 months).
- 2022/2023: • **Practical Work Course Instructor** for the module 'Signal Processing' (Electrical Engineering) at the Faculty of Sciences, Tétouan.
• **Practical Work Course Instructor** for the module 'Communication Media' (Electrical Engineering) at the Faculty of Sciences, Tétouan.
- 2019: **Pedagogical Supervisor for the Final Project** (Master's Degree, Telecommunications course) at the Faculty of Sciences, Tétouan. Topic: 'Energy Optimization of an Analytical Model for IEEE 208.15.4 Sensor Networks' (6 months).
- 2018/2019: **Practical Work Course Instructor** for the module 'Communication Media' (Electrical Engineering) at the Faculty of Sciences, Tétouan.
- 2017/2018: **Visiting PhD Student** at the Department of Engineering, University of Messina (10 months).
- 2016/2017: **Erasmus PhD Student** at the Department of Engineering, University of Messina (10 months)
- 2015: **Practical Work Course Instructor** for the module 'Matlab' in the Computer Science element at the National School of Applied Sciences, Tétouan.
- 2013: **Final Internship** at INWI, Casablanca.
Project: Study of the LTE standard and proposal for a solution to ensure coexistence with GSM, UMTS, and CDMA2000 (6 months).
- 2011: **Final Internship** at the Faculty of Sciences and Technology, Tangier (2 months).
Project: Development of a multitasking control command application: Water level control using Labview.
- 2009: **Practical Training** at MARSAMAROC (2 months)
- 2008: **Introductory Training** at Lear Automotive Morocco S.A.S (2 months)

Professional Experience

- 2021/2023 Doctoral Studies Center :
- Organizing and managing daily activities.
 - Handling correspondence and maintaining records.
 - Participating in special projects and initiatives.
 - Organizing events.
 - Supervising final year projects.
 - Participating in projects and special initiatives.
- 2019/2020 Analyst - Magneti Marelli :
- Analyzing data for management control and quality assurance of the production plant.
 - Collecting, processing, and interpreting data from various sources within the plant.
 - Monitoring production processes to detect anomalies or defects promptly.
 - Managing data resources and optimizing business processes in the SAP software.

- 2014/2016 Administrative -GreenEnergy Coop:
- Managing daily operational activities
 - Entering and managing data.
 - Handling correspondence
 - Organizing archives
 - Compiling reports
 - Supporting general administrative activities.

Hobbies

- Travelling, Reading, Tennis.
- Community work: I am actively involved in community-run projects that aim to improve effectiveness and accessibility of underprivileged members in our city.
- Ex member of 'Rotaract Tanger Doyen'
