- Mobility for learners and staff -
Higher Education Student and Staff Mobility

Inter-institutional agreement 2018-2020
Agreement n. 2018-1-IT02-KA107-047799

between
The University of Messina
and
Innopolis University:

Minimum requirements]
The institutions named below agree to cooperate for the exchange of students and/or staff in the context of the Erasmus+ programme. They commit to respect the quality requirements of the Erasmus Charter for Higher Education in all aspects of the organisation and management of the mobility, in particular the recognition of the credits (or equivalent) awarded to students by the partner institution. The institutions also commit to sound and transparent management of funds allocated to them through Erasmus+.

**D. Respect of fundamental principles and other mobility requirements**

The University of Messina holds and respects the Erasmus Charter for Higher Education which can be found at the following link: [http://www.unime.it/it/international/echeeps](http://www.unime.it/it/international/echeeps).

Innopolis University: located in the Russian Federation, Partner Country of Erasmus + must respect the following set of principles and requirements:

The higher education institution agrees to:

- Respect in full the principles of non-discrimination and to promote and ensure equal access and opportunities to mobile participants from all backgrounds, in particular disadvantaged or vulnerable groups.

- Apply a selection process that is fair, transparent and documented, ensuring equal opportunities to participants eligible for mobility.

- Ensure recognition for satisfactorily completed activities of study mobility and, where possible, traineeships of its mobile students.

- Charge no fees, in the case of credit mobility, to incoming students for tuition, registration, examinations or access to laboratory and library facilities. Nevertheless, they may be charged small fees on the same basis as local students for costs such as insurance, student unions and the use of miscellaneous material.
Innopolis University located in the Russian Federation a Partner Country of Erasmus+
further undertakes to:

**Before mobility**

- Provide information on courses (content, level, scope, language) well in advance of
  the mobility periods, so as to be transparent to all parties and allow mobile students to
  make well-informed choices about the courses they will follow.

- Ensure that outbound mobile participants are well prepared for the mobility,
  including having attained the necessary level of linguistic proficiency.

- Ensure that student and staff mobility for education or training purposes is based on
  a learning agreement for students and a mobility agreement for staff validated in
  advance between the sending and receiving institutions or enterprises and the mobile
  participants.

- Provide assistance related to obtaining visas, when required, for incoming and
  outbound mobile participants. Costs for visas can be covered with the mobility grants.
  See the information / visa section for contact details.

- Provide assistance related to obtaining insurance, when required, for incoming and
  outbound mobile participants. The institution from the Partner Country should inform
  mobile participants of cases in which insurance cover is not automatically provided.
  Costs for insurance can be covered with the organizational support grants. See the
  information / insurance section for contact details.

- Provide guidance to incoming mobile participants in finding accommodation. See the
  information / housing section for contact details.

**During and after mobility**

- Ensure equal academic treatment and services for home students and staff and
  incoming mobile participants and integrate incoming mobile participants into the
  institution's everyday life, and have in place appropriate mentoring and support
  arrangements for mobile participants as well as appropriate linguistic support to
  incoming mobile participants.

- Accept all activities indicated in the learning agreement as counting towards the
  degree, provided these have been satisfactorily completed by the mobile student.

- Provide, free-of-charge, incoming mobile students and their sending institutions with
  transcripts in English or in the language of the sending institution containing a full,
  accurate and timely record of their achievements at the end of their mobility period.
- Support the reintegration of mobile participants and give them the opportunity, upon return, to build on their experiences for the benefit of the Institution and their peers.

- Ensure that staff are given recognition for their teaching and training activities undertaken during the mobility period, based on a mobility agreement.

E. Additional requirements

Selection criteria are jointly defined by the partners, based on transparency, fairness, equal opportunities, accessibility for all. Each sending institution will be responsible for the internal selection procedure of its outgoing students/staff; transparency and fair treatment is ensured by agreed selection guidelines. Each University will select its outgoing students and staff, validating applications from an administrative (complete applications based on requested documents at the moment of the call for applications) and an academic point of view (excellence). Selections will be transparent, fair, and documented, respecting equal opportunities and gender balance and based on:

Students (SMS):
- Academic performance (50%): average mark (I & II cycle students); Master Degree final mark for PhD students
- Language skills (15%): level B2 (English) knowledge of Italian level B2 for incoming and Russian level B1 for outgoing
- Motivational letter/interview (15%)
- Quality of the Learning Agreement/Research Proposal (15%)

Mobility Staff (STA/STT):
- Language skills (30%) Level B2 English or B2 Russian
- Experience Belonging to the scientific-disciplinary sectors of the mentioned areas in the mobility scheme
- Quality of WP(40%)

Partners will be jointly responsible for the selection process and will guarantee the integration of beneficiaries with disabilities, socio economic disadvantage, and commit to guarantee gender equality. Where relevant, the receiving institution will organize Skype interviews to verify language skills.

Before Mobility

Learning Agreement (LA)/Workplan will be defined for each scholarship holder prior to the Scholarship Holder’s departure to the Host University. Documents must be signed, before departure, by the Home, Host institution and the Student/staff. Changes to the learning agreement can be made within 2 months from the beginning of the mobility. By signing a LA/Workplan, the Home University is committed to full recognition of the academic merit of the period abroad for Scholarship Holders as long as the Scholarship Holders fulfil the requirements described on the LA/Workplan.
Host institution must provide all relevant information about the town, the University, student life, accommodation etc.

**During Mobility**

**Tax waiver policy** is applied by host institution.

Incoming students will be ensured equal academic treatment and services as local students and have access to all facilities of the Host Institution (sport centers, student houses, canteens, libraries, etc)

Both signatory institutions are responsible for providing all possible assistance to their incoming Scholarship Holders during the mobility. This includes housing, course registration for students, tutoring, etc. In addition, each receiving Partner University will provide support that allows the Scholarship Holders to gain an understanding of the host country, for instance by offering language courses, a mentor programme and by organizing social and cultural events. Specific assistance will be provided for disabled students.

At the end of mobility the host institution will issue a Transcript of Records (ToR)/declaration of work accomplishment before the departure or in any case no later than 4 weeks after the departure of the students. After mobility, on the basis of the agreed LA and eventual changes signed by all parties, and the subsequent ToR issued by the host institution, the parties recognize, coherently with their internal procedures, the study period abroad as an integral part of the study program of each student.

Both signatory institutions have the infrastructures to welcome students and staff with disabilities.

**F. Calendar**

1. Applications/information on nominated students must reach the receiving institution by:

<table>
<thead>
