**Laboratories and Computer Classrooms**

The Student Opinion survey on teaching structures showed a positive evaluation, as reported by the Joint Student- Teachers Commission in the last annual report. The laboratories belong to the Departments of the Interdepartmental Structure of Connection "Faculty of Medicine and Surgery", located at the University Hospital "Policlinico Gaetano Martino": "Dental and Morphological and Functional Imaging Sciences", "Adult Human Pathology and Developmental Age - Gaetano Barresi" and "Clinical and Experimental Medicine".

The 14 computer stations available at the University Hospital are located in the central library "Giovanni Costa", Biology Tower, ground floor, open to students from Monday to Thursday from 9.00 to 17.30, Friday from 9.00 to 13.30, tel. 090 2213692, email: [biblioteca.medicina@unime.it](mailto:biblioteca.medicina@unime.it).
