A. Y. 2020/2021

1. Preventive measures against Covid-19
2. Time and date
3. Testing rooms
4. How to arrive in the testing rooms
5. Accompanying persons
6. Documents to bring
7. Useful suggestions

1. PREVENTIVE MEASURES AGAINST COVID-19

The candidate must:

- Wear a surgical mask beginning at the entrance at “Polo Papardo” throughout the whole time inside
- Fill out and sign the self-certification Covid-19 health statement to turn in at the entrance.
- Bring anti-bacterial solution to clean hands regularly.
- Follow the instructions posted for movement inside the building and respect horizontal signs to assure social distance

Candidates who do not follow these guidelines can be excluded from the exam by the examination Commission.

2. Time and date

		Registration

IMPORTANT NOTICE

Entrance to the admission test will take place only from Viale "Ferdinando Stagno d'Alcontres, 95158 Messina - CERISI entrance." There will be a walkway of about 800 meters delimited by barriers and equipped with horizontal signs in compliance with the containment measures of the Covid virus – 19. This is to assure the required physical distancing for containment of the virus.

The other entrances to the Polo Papardo and the Engineering Department are closed to candidates.

Surgical masks must be worn before reaching the first entrance access point. They must be worn the whole time during the entry process as well as during the entire time that the candidate is inside the building.

4. How to arrive

5. Accompanying persons

All of the entrance procedures will be carefully observed so as to avoid any diffusion of the Covid-19, and especially regarding the issue of assembly in groups.

Only candidates are allowed to enter the Polo Papardo area. Therefore, accompanying persons are asked to stay away from the access area because they could impede the entrance process.

It is possible to park on Viale Ferdinando Stagno D'Alcontres, in accordance with the traffic code.

Bars and restaurants are located in Ganzirri, which is about 1.5 km from Polo Papardo.

6. Documents to bring

The candidate must bring:

- Valid identification documents
- Payment receipt for IMAT registration
- document of enrolment for the IMAT
- Passport and entry visa (for non-EU students)
- Self certification of health status and measures of containment of COVID-19 virus (in accordance with art.46 e 46 of DPR n.445/2000) available on university web-page**

7. Useful suggestions

It is strongly advised to:

- **Only bring the most essential personal effects**, since bags cannot be brought inside the test room;
 - - Silence and turn off mobile phones before arriving onsite; they cannot be brought in to the test room. There will be a signal inhibitor in use for mobile, wi-fi and Bluetooth during the entire test.
- **Bring a 500 cl bottle of water, a small wrapped snack and any necessary medicines.**
There is no bar service.
